I was compelled to read the Master and His Emissary after listening to the author give the annual Laing Lecture Series at Regent College this Spring. Spending 3 hours listening to that series will give you a much faster overview of his thesis in M&E and a good sense of his main ideas, but the book itself is worth the read if you re up for it.

The Master and His Emissary is a work of extraordinary erudition. McGilchrist seems to be a polymath, who has managed to feel his way into a vast array of different literatures What I found in reading his book is that there are gems on virtually every page, and that the way of thinking and of seeing that McGilchrist here offers is itself compelling, rich and fertile." Rupert Read,
