The Middle School core courses are divided into 36 Lessons, each designed to be completed in a week for 36 weeks of instruction - roughly equivalent to a traditional school year. Keystone's independent model allows students to move through the lessons at their own pace, so some students may complete two lessons in a week, while others may need more than a week to fully work through the material. Teachers offer weekly study sessions, and are available by phone and e-mail for support as needed.
