Q A Effectiveness of Max Contraction Training High

After reading some of your articles on HIT and after having started training in HIT form, I then found reference to John Little s Max Contraction Training book and bought it. After reading it, I have to admit that I am fascinated by the book and am curious to know if you ever trained in the Max

Max Contraction Training Bodybuilding com Forums

The major difference between Max Contraction Training and dual factor training is, in my mind, the work capacity that gets built up with dual factor training. With Max C. you never built up a huge work capacity (or general physical preparedness), but with dual factor you add a little more to your resistance capabilities every month.

MAX Contraction Training 180 Degree Health

MAX contraction training really stresses the CNS and offers very little in the way of muscle growth. Strength gains are also limited to the range of the movement the contraction is limited to. I have experimented extensively with it and also other protocols like Power Factor Training and at day s end, I found them to be inferior for both strength development and muscle growth.
